

Cloud 9 Fundraising

WAKE UP TO SMARTER FUNDRAISING

Fundraisers People Actually Want To Support

A simple way for parent-led groups
to raise money with useful home
goods.

Trusted by schools and parent groups
across the country.

Here's How Cloud9 Fundraising Works

Cloud9 Fundraising helps parent-led groups raise money by offering useful home goods people are happy to buy—like quality bed sheets and everyday essentials.

Most fundraisers work hard and still fall short. Instead of selling items families don't need, your supporters purchase products they'll actually use. That makes fundraising easier to share, more comfortable to ask for support, and more likely to succeed.

Simple for parents to manage

Easy for friends and family to support

Designed to help groups reach their goals
